The Steady 320 has sporty handling and good sea keeping qualities.

This modern sports tender has so much reserve buoyancy it has a carrying capacity of 395 kg. Thanks to its good directional stability the Steady 320 is easy to row. It will plane easily and has sporty handling and good sea keeping qualities. The deck has a self draining arrangement and for additional safety aluminium handrails come as standard. To give extra control and a sports feel there is an optional console. Approved by Det Norske Veritas and CE accredited.

**Safe and stable
395kg loading capacity
Superb sea keeping capabilities**
